A  
I do too.

B  
May I touch my nose to your nose?

A  
You may.

*A and B let their hands drop and press their noses together.*

A  
I like this.

B  
I do too.

A  
May I press my butt against your butt?

B  
You may.

*A and B turn around and press their butts together.*

B  
I don't like this.

A

I don't either.

*A and B turn and look into each other's eyes.*

A

May I touch your heart?

B

You may.

*A places their hand on B's chest above their heart.*

B

A

You may.

*B places their hand on A's chest above their heart.*
